The choice of travelers everywhere

The Alfa WiFi Camp Pro 2 Mini is low profile indoor version of our popular Alfa WiFi Camp Pro 2 outdoor kit. It is designed to be used indoors in places where setting up an outdoor system isn't ideal or possible. Perfect for home/resort use, hotels, or smaller recreational vehicles, it can be packed easily into a laptop bag or suitcase.

If you need to boost Wi-Fi signal to multiple devices at once but want to keep everything inside, the Alfa WiFi Camp Pro 2 Mini is the perfect choice.
